At the end of this month members of the group will be setting off to Jersey to operate again as **GJ6YB** . Last year the group was JUST beaten to the trophy by a VERY small margin ! Do try to get on and work them on as many bands as you can; it all helps the final total. July 24/25<sup>th</sup> .

More details and rules here : <http://www.rsgbcc.org/hf/rules/2010/riota.shtml>

**Stuart Green G3ISG** I dropped into see Stuart recently, and he sends his regards to everyone in the group. His health could be better, but he was in fine voice and spirits and was keen to say that he is looking for a radio to keep in touch.

**Steve Hartley G0FUW** is looking for anyone interested in joining a Foundation course in Bath in September. If there is sufficient interest he will run a Morse class as well. Contact **G3TKF** or **G0FUW** for more information
