City of Bristol RSGB Group - G6YB

[At the Bristol Lawn Tennis & Squash Club, Redland Green, Redland, Bristol BS6 7HF](#)

Monday July 25th 1930hrs

Just for a change : **THREE** short talks (20mins or so) this month, interspersed with a chance to chat and drink!

Dick Elford G0XAY— “Antarctica”—a recent holiday

Alan Hydes G3XSV— “Contest adjudication”—How do all those thousands of contacts get matched and checked and then scored?

Mike Batt G3SJI— “Money , Money , Money” (things you always wanted to know but were frightened to ask)

Now you can't say that isn't variety for you !

The “Christmas” party last month at the Compass Inn was a great success as can be seen from the smiling happy faces below !

GJ6YB/P operated from Jersey over the 18/19th June in the [RSGB 50Mhz Trophy](#) contest. They worked over 850 stations, more than 50 of which were in the USA. In spite of the really awful weather a good time was had by all. Two sets of 7/7 yagis plus another single 7element helped the score along ... the force 8 gales and driving rain did not! Results out soon.

The group is off to Jersey again at the end of this month—look out for them as GJ6YB in [Islands On The Air](#) over the weekend of 30/31st July .

Keep an eye on what's happening at the clubs—there are some really interesting sounding talks coming up in August – Including Kite antennas and Caving.
