

Radio Society of Great Britain

City of Bristol RSGB Group - G6YB

[At the Bristol Lawn Tennis & Squash Club, Redland Green, Redland, Bristol BS6 7HF](#)

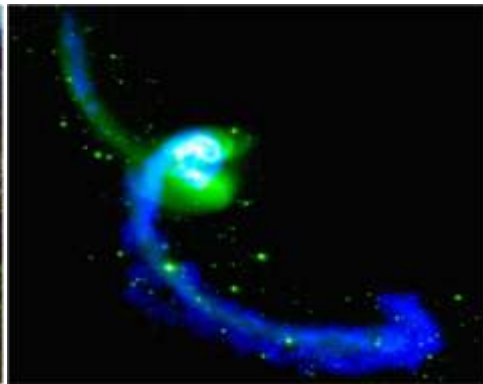

First a welcome back to a couple of old familiar faces, Cyril G2HDR and Les G2FQP who have just rejoined the group.

We seem to be fated with our speakers at the moment ... Andrew Burns from the Wiltshire Astronomical Society is unable to attend due to hospital visits ... BUT we are very lucky to have, at very short notice, **Sarah Roberts - the director of Education from the Faulkes Telescope Project, part of LOGGTN, providing access to a global network of robotic telescopes.**

[Mon June 28th Sarah Roberts PhD](#)

[“The Radio Universe”](#)

In her talk Sarah looks at how radio waves are emitted from objects in the Universe, and describes what they can tell us

A radio image of the interacting Antennae galaxies

Sounds fascinating – hope you can get along !

For more details of the project Sarah is working on .. <http://faulkes-telescope.com/>

FUTURE MEETINGS: dates for your diary

Monday July 12th “Xmas” meal

No July meeting as such but a late “Xmas” meal at the Toby Carvery, Henbury.
