Dear OM,

Are you interested in joining a Club for Radio Amateurs in Bristol, which would meet twice a week (Mondays & Thursdays) in a pleasant clubroom not far from Lawrence Hill station.

Rooms have already been booked for the year ahead and the first meeting will be held on Monday, September 9th at 7 pm. to settle a few points concerning the Club's constitution.

The cost? Probably an annual payment of 2/- with a weekly subscription of 6d, whether attendance is made or not. Membership would be open to anyone interested in Amateur Radio and there would be -

- |   |   |
|---|---|
| 1) A minimum of business meetings.          | 5) Assistance for members who wish to take the RAE. |
| 2) A technical Library.                     | 6) Coffee & Biscuits.                               |
| 3) Morse Practice (both nights if required) | 7) Plenty of parking space.                         |
