## **From the Bristol Group Chairman . . .**

Welcome to Longleat Mobile Rally.

At the beginning of the year it seemed that with the threat of petrol rationing we may have been absent from the Mobile scene, but events are such that we are here again.

We hope you will meet old and new friends, and be able to put the faces to some of the newer Callsigns.

You will see in one of our tents a grand selection of Raffle Prizes, and I hope you will support us by buying as many tickets as you can afford.

The Bristol Group is most grateful to our host, The Marquis of Bath, for his consistent generosity in allowing us to occupy this site for the 17th time. Our gratitude is also due to all who support the Rally and we hope to see you again, here, for many rallies to come. I feel I must thank the Rally Co-ordinator, Tony, G8CKJ, for getting the event swinging again. I know that he and his helpers have worked very hard again, and on behalf of the Bristol Group, "Thanks Tony".

73,

Roger Horsman G3XOD.

## ARE YOU A MEMBER?

The Radio Society of Great Britain (RSGB) is the National Society of radio amateurs in the United Kingdom. More than 9,000 of its 17,000 members hold amateur transmitting licences; the others either hope to do so later or are interested primarily in the receiving side of Amateur Radio. More than 1,500 members live overseas.

H.R.H. The Prince Philip, Duke of Edinburgh, K.G., is the Society's Patron.

The Society acts as the spokesman for the radio amateur and Amateur Radio in the U.K. and is one of the Founder Members of the International Amateur Radio Union, the worldwide association of the various National Societies.

The Society is administered by a Council elected by the Corporate membership. A full-time staffed Headquarters is maintained in London. There are also 17 elected Regional Representatives who with the help of Area Representatives arrange local meetings and other activities. More than 250 clubs and societies are affiliated to the RSGB.

## **From the Rally Organisers . . .**

Welcome once again to our Mobile Rally. It is, of course, only through your continuing enthusiastic support that the Longleat Rally today celebrates its 17th anniversary. We hope you have an enjoyable day.

This makes a break with our traditional date of the last Sunday in June, but we hope that this has not upset your calendar too much and that we will be back in June next year.

We are again running the mini-DF contest which was 'well received' last year and are pleased to welcome at least two newcomers, these being the Bristol Channel Repeater Group and the MOD Mobile Weather Satellite Station. We are always open to new ideas and suggestions (or criticisms!) — if you have any, please let us know.

I take this opportunity to remind you that the Bristol Group does not receive any admittance fee and relies entirely upon your support of the raffle and souvenir programmes etc. to remain solvent for the next year.

May I finally offer my sincere thanks to all those who over the past year and today have given their time and effort in order that Longleat Rally can take place. Hoping to see you next year.

73,

Tony, G8CKJ
