[Mon March 29th 1930hrs Ian Foulkes M.A.](#)

“Espionage and Covert Communications”

Ian is back again after his fascinating talk on “Operation Bodyguard” last year. Ian, a former sergeant in the Royal Signals and with much experience in covert communications, was the museum attendant at the Royal Signals Museum, Blandford Forum.

This should be a fascinating evening with a real expert on the subject – do try to get along.
